MAHE tie-up with TIFR

MANGALORE: The Manipal Academy of Higher Education (MAHE) and the Tata Institute of Fundamental Research (TIFR), Mumbai, have signed an agreement on advanced research in basic sciences.

A MAHE release said here that a memorandum of understanding in this regard was signed in the presence of the MAHE Chancellor, Dr T. Ramdas Pai, and the TIFR Director, Dr S. Bhattacharya, at Manipal on Saturday.

The release said that the signing of the MoU would mark MAHE's entry into advanced research in basic sciences. "The agreement hopes to promote and enhance science and academic interaction between the two institutions in physics, chemistry, biological sciences, informatics and interdisciplinary sciences," it said. Dr H.S. Ballal, Vice-Chancellor of MAHE, Dr H. Vinod Bhat, Registrar of MAHE, Dr M.B. Kurup, Dean of Natural Sciences Faculty, TIFR, and Dr Deepak Mathur, Senior Professor, Atomic and Molecular Sciences, TIFR, were present on the occasion. — **Our Bureau**
